"The South 40"
by JAMES A. SMITH
EXTENSION AGENT

Looking around for something to take the place of a daily, dreary vitamin pill, I discovered a liquid product that has all the known indispensables for good health, plus a few extras.

After making sure it had the regular A, B, C, D, and E vitamins, I checked out the other fairly well known ones; riboflavin, niacin, pyridoxine, pantothenic acid and folic acid (all in the so-called vitamin B complex). It had them all.

Then, I turned to the minerals, I found this drink had every single mineral known to be necessary to the human body. These include phosphorus, potassium, magnesium, chloride, calcium, sodium and iron.

I found that we need 19 minerals. This drink had them all and 10 more besides.

Then it struck me. The pill peddlers have been pushing a protein pill lately. Could it be . . . . ? I found 10 different proteins (amino acids) we need for good health. This drink had them all plus another eight.

Just to be sure, I called a doctor and asked him his opinion of the product. He told me, "It favors growth and development in youth, confers health and vigor throughout life and postpones old age."

I tried a dietitian and he praised it. I got similar answers from a dentist, nurse, beauty expert and a food editor.

This stuff must cost plenty, I thought. Would you believe it? The price in this area is about $1.20 cents a gallon. They call it milk.

Have you tried it recently? It goes with most everything. Wouldn't this be a good New Year's resolution, "Milk for everyone, everyday."

* * *

Developing good relationships with employees is important if the most effective work is obtained.

Here's what one industrial relations group says are important points for the employer to remember;

.... Workers don't like bossiness.

.... They want and need freedom on the job.

.... They want job security and opportunity for advancement.

.... They want fair treatment, with promotions and pay increases when they are earned.

.... They want to be able to speak their minds.

.... They want to be able to make a mistake now and then without being crucified for it.

.... They want friendly treatment by fellow employees and by their bosses.

.... They want to be kept informed on company matters.

Christmas Day dinner guests of Mrs. Ruth Beasley were Mr. and Mrs. Odell Kirby of Farmville, Mr. and Mrs. [illegible] send and Mrs. Ben Glenda and Mr. Baldwin and Mr. and Mrs. wall of Mon... in the se...

1971 Wheat Program Very Different From 1970 Program

"Wheat producers who choose to take part in the 1971 Voluntary Wheat Program will have considerably more freedom in planning their farm operations than they've had in the past," reports J. P. Alvis, Jr., Chairman of the Appomattox County Agricultural Stabilization and Conservation (ASC) Committee.

Under the 1971 Wheat Program, which was authorized by the Agricultural Act of 1970, wheat growers will receive allotments based on a national domestic wheat allotment of 19.7 million acres, the Chairman said. However, 1971 farm wheat allotments will be used only to determine acres to be set aside on each farm and the amount of payment a producer may receive under the wheat program. Unlike previous years, the allotments will not determine the amount of wheat to be grown on a farm.

In fact, he said, wheat producers are no longer required to plant wheat in order to qualify for program benefits. "The wheat allotment does not restrict a producer to a set number of acres of wheat, nor does it indicate to him what crop or crops he must or should plant," the ASC Chairman commented.

The general outline of the new wheat program has already been announced, and full information on all provisions are expected before March 1, when program signup begins.

"Every effort will be made to see that all farmers are fully informed about the new farm program. Newsletters and other material will be mailed to producers; and additional press releases will be issued," he said.

Price - support loans will be available to program participants at $1.25 per bushel, national average.

Church Services

ADVENTIST CHURCH
Rufus B. McDannel, Pastor
Sabbath - 9:45 a.m.
Worship Service - 11 a.m.
Sabbath School Lesson No. 13 for Dec. 26, 1970.
Subject: Source of Healing Power.
Key Text: Scripture – "If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in His sight, and wilt give ear to His commandments and keep all His statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee." Ex. 15:26.
The Saviour would have us encourage the sick, the hopeless, the afflicted to take hold upon His strength. Through faith and prayers the sick room may be transformed into a Bethal. "And God hears prayer, Christ has said, If ye shall ask anything in My name, I will do it." Ibid, p. 226.
Lesson Outline – 1. Christ, the Healer, Ex. 15:26. 2. Still the Healing Christ. Mal. 3:6. 3. Healing and Restoration Today. Jas. 5:14-15. 4. Use Available Remedies, Isa. 38:21. 5. Obedience to Natural Law. Jer. 7:23. 6. False Healers Today. Matt. 24:24. "Jesus Christ is the same today that He was yesterday, and He will be so forever." Heb. 13:8. "For I am the Lord; I change not." Mal. 3:6. This means that He still hears the prayers of the sick and discouraged ones. And that He still heals! God is just as willing to restore the sick to health now as when the Holy Spirit spoke these words to the psalmist. Read Ps. 103:13-14; 107:17-20.
"Christ in His life on earth made no plans for Himself. He accepted God's plans for Him and day by day the Father unfolded His plans. So should we depend upon God, that our lives may be the simple outworking of His will. As we commit our ways to Him, He will direct our steps. . . God never leads His children otherwise than they would choose to be lead if they could see the end from the beginning and discern the glory of the purpose which they are fulfilling as co – workers with Him." Ibid, p. 479.

Forest Fires are a menace to the public!

FIRST BAPTIST

Regular preaching services were held at the First Baptist Church Sunday at 11:00 a.m. Rev. Howard Flood preached and the Mt. Lyle Choir sang. All present enjoyed the message.

We were happy to have our visitors to worship with us Sunday. Mrs. Bernice Dillard Brodgen and family visited her mother and family over the Holiday. Mrs. T. W. Hamlet and Mrs. Holmes visited in Roanoke over the Holiday.

At the close of the morning worship Mrs. Ella Mae Preston presented gifts to Mrs. H.P. James and Mrs. J. A. Hamlet for their loyal support during the year.

Ladies Aide will meet in January with Mrs. Ann Patterson. All members please try to be present.

We the members of the First Baptist Church wish each and everyone a Happy New Year.

JORDAN BAPTIST

The old year dies and we face the new year as though it were an entity, new as a newborn babe. Hal Borland

Rev. Elliott preached a very inspiring sermon Sunday morning. His sermon had a message for all who attended.

On next Sunday night (Jan. 3) at 7 p.m. a special program will be held. We invite each and every one to attend this program.

We, the people of the Jordan Community, extend to everyone our best wishes for a Happy New Year.
